CAMP RULES

Dear Coach/Captain:

Please read these rules to every member of your squad or team and have each cheerleader, coach and chaperone sign the following rule sign-off sheet. Return the completed sign-off rule sheet to the camp administration staff at check-in on the first day of camp. These rules are designed to help ensure that everyone has a safe, fun and productive camp experience.

In advance, thank you for your time and cooperation. You and your parents have also signed the back of the Medical Release/Liability Waiver Form stating that you have read, understand and will abide by these rules.
